## Notes [\(Revisions\)](#)

Ebay is forcing us to move away from paypal. I worked with Todd to get a bank account setup that we can use. His notes below:

Hi Tyler,

I don't mind us using the checking account we set up at American Interstate Bank for our Ebay/PayPal activity. It hasn't been used in a while. We would just need to make sure we reconcile it each month.

American Interstate Bank  
Account # 354379  
Routing # 104910135

There is currently a \$957.22 balance in that account.

Please provide Lindsay the support for any activity that you have as the transactions occur. Thanks!

Prime's EID is 47-0843347

Todd
